

Volunteer with style!

Marc Jacobs, Collette Dinnigan, Anna Wintour, Giana Versace - have you ever fancied yourself running an up market boutique? Idly daydreamed, whilst sipping your sauvignon blanc, about quitting the corporate grind and setting up your own fabulously successful small business where you'd be the boss?

Why not give it a go and try it on for size- Volunteer to run the LEPS Uniform Shop!

Our Uniform Shop turned over \$147,000 in 2015, stocked 25 items and was often the first point of contact for families.

We need a volunteer parent who can dedicate 2-3 hours per week, providing executive management and policy leadership. You'll also be supervising the paid Uniform Shop Coordinator who is responsible for the day-to-day running of the shop.

This position suits anyone with get up and go and a passion to give back to the public school system. All profits go straight back to the school and assist with funding our Learning Support Teachers, providing technology such as iPads and computers as well as funding the Field of Dreams !

Are you an accountant, solicitor or successful small business operator ready to apply your expertise with immediate results?

Or, are you interested in transitioning out of your 'old' pre kids career into running a small business with all that entails. Managing the uniform shop of a large school (770 children) would look impressive on your CV and may just launch your career in a new direction.

Plus, you'll form close ties with the School Executive, the P&C and of course the parents and children, which will certainly enrich your experience at LEPS.

The P&C does have the capacity to provide some specialist accounting / IT support so please don't let that side of it (if you're not trained in that area) put you off. What we really need is a parent with passion and commitment who is willing to pitch in, learn new skills and get involved.

For more information, please go to the school website and download the job description.

If you are interested or would like to chat about the role please call Julianne Brown on 0437 830 495 during business hours. Expressions of interest close on 12 March 2016. After that we'll get you in for a chat with Mr Stevenson and The President of the P&C to discuss the role in more detail.
