

INQUISITIVE MINDS

Mon 3 July • 9.30-3.30pm • \$95 • Age 8-9 • Classroom 4 • Code 01

Experience maths as you have never seen it before! Engage with maths activities, brain teasers and learn a range of problem solving strategies in interactive mini-lessons and hands-on maths relays. All workshops are designed and coordinated by Debbie Smith, a qualified and experienced specialist Mathematics teacher and are presented in partnership with MANSW (The Mathematical Association of NSW). Stage 2 focus is on Logical Reasoning and Newman's Error Analysis.

MY PET PORTRAIT

Mon 3 July • 9.00-12.00pm • \$55 • Age 7-12 • Classroom 3 • Code 02

Have you ever dreamt of a drawing a portrait of your favourite pet? Now is your chance! Learn tips and tricks for completing an amazing pet inspired portrait using pencil, coloured paper and/or pastels. At the end of the workshop, you'll come away with your own laminated portrait that you can show off! All materials included.

JUNIOR DRAMA FUN

Mon 3 July • 9.30-3.30pm • \$80 • Age 6-12 • School Hall • Code 03

Join our theatre professional, Kylie Harris for a dramatically different holiday experience! Spend the day playing drama games; theatre sports; improvisation; scene work; devising new characters or recreating your well-loved favourites. Learn to use your voice for stage and how to develop the craft of storytelling. Build confidence and enhance your creativity in a friendly atmosphere. Get ready for some *serious fun*! There is the option to attend one or two full day workshops.

DIGITAL ANIMATION

Mon 3 July • 9.30-3.30pm • \$95 • Age 9-12 • Connected Classroom • Code 04

This highly creative area of storytelling captures kid's imaginations! In this one day workshop, our professional animator, Mark Giblin introduces students to Adobe Flash and Photoshop. Kids create an animation with themselves as the main character, adding their own music and sound effects. This workshop is guaranteed to make kids laugh, think and create! Students to bring one USB storage device each to contain their finished animation.

INQUISITIVE MINDS

Tue 4 July • 9.30-3.30pm • \$95 • Age 10-12 • Classroom 4 • Code 05

Experience maths as you have never seen it before! Engage with maths activities, brain teasers and learn a range of problem solving strategies in interactive mini-lessons and hands-on maths relays. All workshops are designed and coordinated by Debbie Smith, a qualified and experienced specialist Mathematics teacher and presented in partnership with MANSW (The Mathematical Association of NSW). Stage 3 focus: Newman's Error Analysis, Logical Reasoning and Working Backwards.

PUBLIC SPEAKING

Tue 4 July • 9.30-3.30pm • \$80 • Age 9-12 • Classroom 3 • Code 06

Speaking in front of an audience can be a stressful and nerve-racking event. However, by understanding the key elements of a good speech and learning how to use those butterflies to your advantage, public speaking can be an effective tool for life. This course will look at the planning and preparation of a speech, content, tone and length, as well as knowing your audience, practising your speech, vocal variety and

speech delivery, body language, posture and gesturing. Presentation and physical appearance, eye contact and controlling your nerves will also be addressed. Students will develop confidence and have a better understanding of public speaking tools in a positive and supportive environment. Say goodbye to sweating palms and trembling knees forever!

JUNIOR DRAMA FUN

Tue 4 July • 9.30-3.30pm • \$80 • Age 6-12 • School Hall • Code 07

Join our theatre professional, Kylie Harris for a dramatically different holiday experience! Spend the day playing drama games; theatre sports; improvisation; scene work; devising new characters or recreating your well-loved favourites. Learn to use your voice for stage and how to develop the craft of storytelling. Build confidence and enhance your creativity in a friendly atmosphere. Get ready for some *serious fun*! There is the option to attend one or two full day workshops.

UKELELE AND MUSICAL WORKSHOP

Tue 4 July • 9.00-12.00pm • \$55 • Age 8-12 • Classroom 5 • Code 08

Crank your creativity up full blast! Join this fun and friendly workshop for young musicians starting out. Mark Giblin will teach the basics of the ukulele, simple chords and strums and the group will work together to write a simple song. Students will also learn about several instruments from around the world and even experience exotic creations such as the Bagpipe, Gamelan and a 100-year-old banjo! The workshop will be loud, creative and inspire students to start exploring their own musical abilities. All instruments supplied.

Please bring a hat, a bottle of water, lunch and some snacks.

CHESS MOVES

Wed 5 July • 9.30-3.30pm • \$70 • Age 7-12 • Classroom 4 • Code 09

Calling all future chess champions! These holidays learn chess from the experts at the Sydney Academy of Chess. Beginners learn the rules of chess and get to know some basic strategies and checkmating patterns. More advanced players will be taught themes such as tactical patterns, openings, endgames and strategical concepts. To practice their new skills, students will have an opportunity to play friendly games or participate in a tournament and the top scorers will be awarded prizes! All levels welcome.

CREATIVE WRITING

Wed 5 July • 9.30-3.30pm • \$80 • Age 7-9 • Classroom 3 • Code 10

Tune into your inner writer and turn up the fun! This workshop will help you draw on your creative ideas as you improve your sentences and use of dialogue. Students will also extend their learning and develop ways to plan, organise and structure their ideas into writing that will keep the audience enthralled until the very last word. Students will have the opportunity to share pieces of work with the group and gain experience from helpful feedback.

FUN WITH PHOTOSHOP

Wed 5 July • 9.30-3.30pm • \$95 • Age 8-12 • Connected Classroom • Code 11

Jump into an introduction to Photoshop with Mark Giblin and learn how to design digitally! Students learn how to alter and fix photos, create images from scratch and even add sound effects. Jam packed full of all the things kids love like cartoon characters, favourite celebrities, and silly photos. Mark knows all the right buttons to make your kids laugh (and learn)! Students to bring one USB storage device to contain their finished animation and images.

DANCE SENSATION

Wed 5 July • 9.30-3.30pm • \$75 • Age 6-12 • School Hall • Code 12

Let's get dancing! If you want something fun to do in the holidays, grab your friends and get ready to dance. Come along and learn different dance styles including Funky Jazz/ Hip Hop, Acrodance (a blend of gymnastics and dance), Ballet, Contemporary / Lyrical and Stretch and Strengthening classes. Dance Sensation workshops are guaranteed to have your kids bopping and singing all the way home!
