Hi Anthia

Here is the overview for string ensemble.

Currently, we have 19 students in Performance String Ensemble (PSE) and 12 students in Junior String Ensemble (JSE).

Financial details:

Up till May, we have \$7,788 received as income and spent \$4,543 as expenses. There will be an estimated \$2,500 outflow to cover term 2 conductors' fee in June. That will leave us approx. \$2,000 net profit as the end of Term 2.

Upcoming events:

1. 15 May, String workshop with Killara High
2. Term 3, we are planning to have a string workshop between JSE and PSE and possibly another workshop with other public schools.
3. 6 Sep, attend FOIM (Festival of instrumental music)
4. Sep, Swan Garden opening performance

Please let me know if you have any further questions.

Thanks,

Grace Pettett
