Impro Sports Drama NEW!

9 weeks • Tue 8th Feb – Tue 5th April •
8:00 – 9:00 am • \$216 • Yrs. K-4 • Code 09

Deep dive into the fun and genius of Improvisation. If there's one skill that will help children develop confidence in all areas of life, improvisation is it.

Improvisation is a high-octane creative expression! It builds confidence by tapping into each child's ability to "make stuff up" on the spot. It enables kids to communicate ideas and to take creative risks in a fun and supportive environment. They will learn the fundamentals of improvisation by understanding how to make and accept offers, building on creative ideas and making them into engaging stories.

Participants will collaborate in teams, competing against each other in The StarTime Impro Sports challenge, where the team with the most courage, commitment and creative risk will walk away with the Impro-Oscar award.

Bricks 4 Kidz – Spectacular World of Sports

9 weeks • Wed 9th Feb – Wed 6th April •
3:20 – 4:30pm • \$225 • Yrs. 1-4 • Code 16

BRICKS 4 KIDZ After School workshops build on the universal popularity of LEGO® bricks to deliver a high quality of educational play. Come and join in all the fun of our BRICKS 4 KIDZ® After School Workshops! BRICKS 4 KIDZ® workshops build on the universal popularity of LEGO® bricks to deliver a high quality of educational play. Students will participate in term-long sessions constructing a new model each week.

In Term one we will be focusing on the Spectacular World of Sports: Explore sports ranging from gymnastics to biking to mini-golf! This unit is a great way to get “sporty” kids building and get LEGO® fans interested in sports. Some lessons focus on the importance of physical fitness and different aspects of fitness, such as stamina and strength. Other lessons describe the mechanics of the sport, such as the physics involved in golf and the components of a stationary bike. But the best part for the students is the way the models move and the fun they have playing with them after they're built.

Maybe they'll be inspired to try a new sport or build a model of their favourite sport!

Numerous students fear the possibility of talking before a gathering or thinking out of the box. This fear and practice persist often unchallenged, long into adulthood. Even if English is the student's first and native language, not everyone is able to vocalise their thoughts cohesively and seamlessly, or perhaps are so nervous that they may blank out when they are asked to read the news in class or are applying for a leadership position in school. Fortunately, Talent Club Australia programs are tailored to anyone regardless of language experience through Public Speaking and Debating, these skills will serve them in school, university and beyond.
