With Kari Fourie

We are excited to welcome Kari back to LEPS!

If you've got a little Picasso at home, they'll love this course! Join fine artist Karen Fourie, owner of Art with Kari.

Children will have fun learning the foundations of art and design with this hand on course with many different techniques and mediums will be explored.

It's packed full of creative exercises that help improve fine motor skills and give kids increased confidence through creativity. Students have the chance to let their ideas soar, by taking an initial concept through to final design.

This program is suited for both new and continuing students.

All materials are inclusive.

Please bring an art smock or old shirt.

Chess

Fri • 8:00 - 9:00am • Yrs. K-4 (Kindy welcome from Term 3)

With Sydney Academy of Chess

Calling all future chess champions! Learn to play chess and get to know all the strategic moves from the experts. Beginners will learn the rules, basic strategies and checkmating patterns. Intermediate players will be taught tactical patterns, openings, endgames and strategical concepts. Each chess student will gain access to Chess Squad an online teaching/playing platform. Students can log into the website and practice skills taught in the lesson, play games against the computer or other students.

Coding

Tues • 3:20 – 4:30pm • Yrs. 2-6

With Code Camp

Code Camp allows kids to hone their coding skills and keep practising through weekly sessions over the term!

Students will produce multiple games and apps using our exciting online platform Code Camp World!

We have made Code Camp World as accessible as possible so students can truly focus on the fun aspects of coding and carry on their journey at home.

Each week students will choose the features they want to build, and advance their problem-solving skills to build these features using code. They will take ownership over their projects and collaborate with their peers to make awesome apps!

Minecraft Masters

Thurs • 3:20 – 4:30pm • Yrs. 2-6

With StarTime

Over the course of the term students will explore Minecraft as a creative building tool and learn more about the world we live in. From scavenger hunts to using problem-solving skills to mine for raw materials... to learning the basic needs of marine animals as they build an aquarium, and the basic concepts of both architecture and engineering as they plan and build their tree houses. Through our program, students will develop important skills in critical thinking, communication, and teamwork, all while having fun and engaging with Minecraft, an exciting virtual format students adore

Sports Drama

Fri • 3.20 – 4.30pm • Yrs. K-4

With StarTime

Develop life-skills and confidence

One of our most popular workshop, StarTime's after-school drama program is designed to utilise the benefits of drama such as building confidence and developing essential life skills in primary school students.

Our drama classes have been developed from years of experience teaching thousands of children.

They build confidence and ensure your child shines in a team environment. We provide a dynamic and practical program, delivered in an atmosphere of support and positivity by experienced, professional performers passionate about teaching children and inspiring them to be their best.

Skills Developed:

Public Speaking

Each lesson children have the opportunity to express themselves vocally, physically and creatively in front of the class. Through our carefully chosen activities, this process becomes fun and natural for even the shyest of children.

Active Listening

Acting is reacting. All the games in StarTime drama encourage the players to listen and observe what each other is doing and saying, in a fun and engaging way. This enables them to play out scenes and think of dialogue on the spot.

Improvisation and play building

Learning and solidifying the basics of "making stuff up" on the spot. Through simple but sophisticated theatre games children develop their teamwork and collaborative skills, combining their imaginations to create made-up worlds with fun scenarios.

Vocal

Breathing exercises, finding your big voice, and articulation games improve vocal confidence, clarity, and dexterity.

Physical Expression

Getting to know your body and how it can be used to create characters of all types, sizes, and shapes!

Confidence

Performing to an audience builds confidence and so it becomes second nature.

Term 1 & 3: parents are invited to an open class where the students will display some of the skills and exercises learned during the term.

Term 2 & 4: includes a show at the end of the term for family and friends to enjoy, observe and celebrate the skills and personal growth each of the students has achieved over the term. View video here: <https://vimeo.com/209370704>

Cross Country/Athletics Training

All classes are for ages 9+ (or turning 9 this year)

Wed • 7:45 – 8:45am *Note start time

With Hooked on Running

Prepare for the Cross Country and Athletics Season.

Coach Richard Sarkies has been training LEPS students since 2013, along with hundreds of others in the local area, and comes with a level 3 qualification from Athletics Australia.

As a guide, participants need to be of at least reasonable level fitness (i.e. **can run at an easy pace for at LEAST 10 minutes without stopping**) and are keen to improve their running.

Join this for speed-endurance, stamina, pacing, and technique work.

We use Lindfield Oval and surrounding bush tracks to provide a program tailored to meet individual needs according to age, fitness, and experience.

Meet at Lindfield Oval (Tryon Rd), just after entering gates, ie top oval.
The coach will walk the students to school.

Guitar Lessons

Wed • 3:20 – 4:30pm • Yrs. K-6

With Alan Tang Music

These enjoyable and interactive group guitar lessons explore both classical guitar and contemporary guitar playing styles. These lessons aim to teach students basic concepts of chords, rhythm and strumming patterns, with students progressing throughout their lessons to playing songs independently. They are perfectly suited for beginners through to intermediate guitar players. Alan Tang and his team will guide

students through a variety of genres, from blues to rock and everything in between!

Keyboard / Piano Lessons

Thu • 8:00 – 9:00am • Yrs. K-6

Fri • 3:20 – 4:30pm • Yrs. K-6

With Alan Tang Music

These fun, interactive digital piano classes are taught by experienced AMEB teachers, Alan Tang and his team. This course uses the Oxford Piano method and covers a fundamental understanding of musical theory, musical signs and scales. Group digital piano classes are the perfect start for children wanting to learn keyboard however are equally suitable for students who may later want to learn to play other instruments, as the program promotes general musicianship skills. For more experienced student's preparation for the AMEB exams is offered. Student will need to purchase a book for the course (cost \$35). Please contact tang.alan86@gmail.com for more details.

Singing Lessons

Thurs • 3:20 – 4:30pm • Yrs. K-6

With Alan Tang Music

Singing lessons with new coach Amelia!

Amelia is a passionate and dedicated performer in musical theatre, regularly appearing in productions while completing her Bachelor of Laws with a minor in Music. With over four years of experience teaching both private and group classes, she integrates body movement and interactive games to engage younger students and enhance their learning experience. Committed to both teaching and performing, Amelia strives to inspire and move her students and audiences through her artistry.

Inner Glow Yoga

Tue • 3:20 – 4:30 pm • Yrs. 2-6

[With Tanya Prischl](#)

Welcome to Inner Glow Yoga! Our program is designed to introduce children to the practice of yoga in fun and creative ways.

In each class, we centre on three primary elements: yoga postures, mindful breathing, and relaxation techniques. This term, our attention will be on cultivating strong and confident minds and bodies by focusing on back health and posture. Join us on this exciting journey as we stretch, breathe and discover the magical world of yoga.

Bricks4Kidz Motorised Lego & Junior Robotics

Wed • 3:20 – 4:30pm

Motorised Lego – Yrs. K – 1

Junior Robotics – Yrs 2 - 6

[With Bricks 4 Kidz](#)

We will be focusing on **Sports**

Spectacular in Term 1!

In term 1 we will be focusing on the Spectacular World of Sports: Explore sports ranging from gymnastics to biking to mini-golf! This unit is a great way to get “sporty” kids building and get LEGO® fans interested in sports. Some lessons focus on the importance of physical fitness and different aspects of fitness, such as stamina and strength. Other lessons describe the mechanics of the sport, such as the physics involved in golf and the components of a stationary bike. But the best part for the students is the way the models move and the fun they have playing with them after they’re built.

BRICKS 4 KIDZ After School workshops build on the universal popularity of LEGO® bricks to deliver a high quality of educational play. Come and join in all the fun of our

BRICKS 4 KIDZ After School Workshops with LEGO®! Students will participate in term-long sessions constructing a new and exciting model each week.

Soccer

Tue • 8.00 – 9.00am • Yrs. 3-6

Thu • 8.00 – 9.00am • Yrs. K-2

[With Evergreen Soccer](#)

Our coach, Brendan Dalton, has played football at an international level, holds a current advanced coaching B license and has been coaching for over 16 years at all levels. Classes are designed to help maintain and develop skills, fitness and knowledge of the game. Brendan shows time and again that the best way for kids to learn soccer and get fit is when they’re having lots of fun! Classes are for players at all levels. Let’s play soccer!

Ballet and Broadway Jazz (Girls only)

Wed • 3.20 - 4:20pm • Yrs. 3 - 6

[With My Fitness](#)

A really fun energetic Dance class for the girls! The first half of the class will teach classical ballet technique and footwork to build foundational dance skill; the second half of class will focus on Broadway Jazz style, developing stylish movement, rhythm and stage performance and confidence. Your child will develop dancing skills and have fun at the same time! There will be a short performance by the students at the end of every term.

New students please contact May Yang at info.myfitness@gmail.com for details of the dance outfit required.
